Year 5 Woodhouse Camp

Dress-up time. Theme - Super hero.

Playing 'knuckles' at the Migration Museum as part of the 'Children of the 19th Century' program.

The winning team "Jamaica" from the winning Mini Olympics team.

The Year 5 campers hiking along part of the Heysen trail.

One thing I really enjoyed at Challenge Hill was the Mouse Trap. A few people from my group got trapped but I didn’t. It was awesome because it was dark inside which made it difficult for you to find your way out.

Jaeger.

Although some of the activities on Challenge Hill were scary, I tried everything except for the single rope across the creek.

Stephanie.

I didn’t go on the Big Dipper Slide because I thought it was too high. I liked the single rope bridge although I fell in twice. I was exhausted.

Katrina.

Challenge Hill was fantastic! We did the climb around tower which is rock climbing and it was my favourite.

Keith.

Challenge Hill was really, really fun but exhausting! Most of the activities were hidden amongst the bushes and trees.

Nathaniel.

Visiting the South Australian Aboriginal Cultures Gallery in the SA Museum and the Migration Museum was extremely enjoyable.

Katherine.

Every activity on Challenge Hill was exhilarating. My favourite activities were the Big Dipper Slide, the Mouse Trap, the Piranha Swamp and the Cargo Net.

Jack.

At the Mouse Trap my group saw a baby koala and a mummy koala climbing up a tree about 6 metres away from us and that was awesome!

Erica.

Challenge Hill was really, really fun but exhausting! Most of the activities were hidden amongst the bushes and trees.

Chloe.

While we were at camp we hiked along part of the Heysen Trail, we went to Challenge Hill, we went orienteering, we went on a scavenger hunt and we had night time activities.

Rebekah.

Material and Services Charge (School Fees) – 2016

Each year the Department for Education and Child Development (DECD) determines how much schools are entitled to charge parents and caregivers for their children attending school.

The amount we ask parents to pay is the recommended level of payment and this forms a key part of our budgeting.

The amount that DECD allows us to charge students for attending this school and access our materials and services is $229.00. This is an increase of $3 on this year.

We use this ‘Materials and Services’ money to meet key costs in the school including books, writing materials plus costs associated with the internet and photocopying materials for learning.

Should there be any questions or issues with the Materials and Services Charge, there is an opportunity for parents and caregivers to raise these at a meeting at 5:45 p.m. on Tuesday the 1st December, 2015 at the school.

In lieu of attendance at the meeting, parents and carers are invited to express their views in writing addressed to the Principal marked “Confidential – Materials and Services”.
